

T1 Bundle Fact Sheet

Triton Networks T1 Bundle offers the ultimate in flexibility

With a Triton T1 Bundle, you can select any combination of voice, data and networking services over a single, dedicated network connection. By combining these services, your business can reduce costs without sacrificing quality.

T1 Bundle customers enjoy all of the benefits of a bundled package, with the flexibility to precisely meet the needs of their business.

Benefits To Your Business:

- ✓ Proven reliable technology transmitted over a secure voice and data network.
- ✓ Truly one-stop shopping – it's all you need in a single package for a single price.
- ✓ Easy to understand pricing with no usage fees.
- ✓ Along with voice and Internet service, you can add services such as voice mail, managed network security, and web and audio conferencing services.

Features:

- ✓ Feature rich local service
- ✓ 1000 free domestic long distance minutes with additional minutes available
- ✓ Dedicated Internet access – with equally fast upload and download speeds
- ✓ Robust web services including web hosting, domain name registration, email with spam filtering, and anti-virus scanning
- ✓ Powerful networking services via point-to-point for voice and private line for data applications
- ✓ Dependable equipment installation
- ✓ Two toll-free numbers
